

"Retire"

The flagship design for Authentic Developments means the "Retire" will NOT disappoint! At an impressive 2418 sq. ft. this home doesn't miss a thing! Soaring 2 storey living room with stunning gas fireplace feature wall is the keystone to this dynamic, functional and spectacular main floor layout. The second storey continues to impress, flooded with natural light you will find 3 generous sized bedrooms plus a master suite of your dreams! No detail has been spared in the planning of this spectacular dream home! Dream it, Build it, LOVE it!
